TRANSPORT, HOME SUPPORT & COMMUNITY CONNECTION

Our Spring program takes on a new look as we adhere to current COVID-19 guidelines. Please be assured we will take all necessary precautions available to us so we may keep you safe to enjoy your day out.

Destinations have been chosen where flexibility is available and may be subject to change or improved where possible as we receive updated advice from the NSW Government.

Numbers on buses:

- > Social Distancing Requirements mean larger buses are limited to carrying fewer people to keep you safe

Areas and days of travel:

- > You will note that Penrith and Blue Mountains have been divided into areas, Blacktown areas remains the same
- > This is designed so you may choose 1 of the 2 days on offer for your area

So what does this mean?

- > Day trips may be shorter or we will not be going as far
- > You can Bring Your Own Lunch
- > Lunch can be purchased from a takeaway or café and eaten in a park
- > If clubs and other eateries are open then this provides us another choice
- > Closer to the date lunch venues may be booked
- > Some flexibility is required to have a great day out

If you have any questions or concerns please don't hesitate to contact us. We would like to welcome you back and joining your friends to getting Out and About and being Socially Active again. Please give us a call on **4722 3083** option 3 to speak to the social outing bookings team.

WHICH AREA ARE YOU IN?

Check which area you're in to match it with the colour coded bar  appearing along-side the date in each social outing.

As your health & safety is our main concern Active Care Network has made some changes to the way we host social outings. We need to reduce the number of clients on each bus and ensure everyone has opportunity to access our outings. We have separated suburbs into: East and West for Penrith, Upper and Lower for Blue Mountains. Now you have 2 days per week to choose from! Just check below which suburb you reside in and pick one of the corresponding days on the social outings calendar.
